

NEW *Living Bible Lessons*

SPECIAL BENEFITS OF THIS SERIES — This is a three year course designed to cover the Old Testament in all departments: Nursery through Senior High. All student books are in color. The Teacher Manual and Visual Aids give sufficient help to enable the teacher to present the whole story with New Testament and present day applications . . . a real help to motivate learning and living. This series offers the unique opportunity

for all classes to study the same area of the Old Testament at the same time.

AN IDEAL COMBINATION — Use **New Living Bible Lessons** to study the Old Testament for one Bible School period each week and **The Living Way** to study the New Testament for the other Bible School period each week.
