

## **Bible Teacher Workshop WEBLOG**

### **January 29, 2008:**

Lambert Book House has announced that it will launch a new teaching resource site: <http://bibleteacherworkshop.blogspot.com>, where Bible class teachers who use Lambert Book House products can share teaching activities, ideas, materials, methods, and plans with other Bible class teachers everywhere.

According to Lambert Curriculum Director, Paula Maharrey, “By uniting Bible class teachers over the Internet, a tremendous wealth of teaching knowledge and expertise can be shared as never before, leading to stronger teaching skills, a richer classroom experience, and increased spiritual growth for teachers and their Bible students.”

Bible Teacher Workshop will list Guest Teachers of posted articles, current Lambert Book House Press Releases, and Archives for previously published teaching articles.

Bible Teacher Workshop can also be accessed from Lambert Book House Online at [www.lambertbookhouse.com/about.html](http://www.lambertbookhouse.com/about.html).

See guidelines for teaching articles at <http://bibleteacherworkshop.blogspot.com>. All article submissions should be sent to [BTWweblog@lambertbookhouse.com](mailto:BTWweblog@lambertbookhouse.com). Teaching articles will be reviewed and posted on the site as soon as possible. Readers’ comments will also be reviewed prior to posting.
