NEW LIVING BIBLE LESSONS & *Outlooks*

SPECIAL BENEFITS OF THIS SERIES — This is a three year course designed to cover the Old Testament in all departments: Nursery through 6th grade. The Teacher Manual and Visual Aids enable the teacher to present the whole story with New Testament and present day applications.

AN IDEAL COMBINATION — Use **New Living Bible Lessons** to study the Old Testament for one Bible School period each week and **The Living Way** to study the New Testament for the other Bible School period each week.
Outlooks (for 10th-12th grade) is a scripture-based comprehensive study full of lessons applicable to today's teens and college age.

Outlooks Bible Study for 10th-12th Grades

Biblical Principles For Everyday Issues—3 Year Study! *Outlooks* is a comprehensive study that encourages students to search their Bibles to find the answers to today's issues. This new format presents Biblical principles and promotes discussion to help teens make the tough choices in their lives. This magazine-style format covers modern-day issues affecting teens in their everyday lives.
